

CALHOUN COUNTY FAIR

October 17-21st, 2017

Commercial Building Booth Regulations

- All booths need to be interactive...selling items, giveaways, raffles, door prizes, games. We want this to be a fun area for all attendees.
- Set up is Monday, October 16th, from 10 a.m. to 6 p.m.
- Some draping system will be used. The draping systems have caused problems with the AC units in the past, so we are trying to keep the air flowing.
- To keep cost down, we will not be providing tables and chairs. We can rent tables and chairs for you if needed.
- Hours of operation: Tuesday – Friday, 5:30 p.m. to 9 p.m., on Saturday, noon to 8 p.m. Please stay in your booth and participate during these hours.
- You can arrive 30 minutes early each day to begin setting up your booth
- No food vendors will be allowed in the commercial building.
- Tear down will be Saturday night after 8 p.m.
